alister mcgrath s christian theology an introduction is one of the most internationally acclaimed and popular christian theology textbooks in use today this 5th edition has been completely revised and now features new and extended material numerous additional illustrations and companion resources ensuring it retains its reputation as the ideal introduction to christian theology fully updated 5th edition of the bestselling textbook incorporating expanded material numerous student features and new illustrations features new sections on copernicanism and darwinism includes extended discussions of augustine s doctrine of creation trinitarian theologies of religion and the relation of christianity to other faiths may be used as a stand alone volume or alongside the christian theology reader 4th edition for a complete overview of the subject retains the chapter structure of the 4th edition ensuring comparability with earlier editions and courses based on these accompanied by a revised instructor s website featuring expanded resources including study questions and answers visit wiley com go mcgrath for more details and to register for access

this introduction to christian theology explores the whole christian tradition in a simple and straightforward way leading wesleyan theologian don thorsen surveys the theological views represented within historic christianity and discusses the variety of positions held without favoring one over another the book includes helpful end of chapter questions for further reflection and discussion a convenient glossary of theological terms and sidebars the second edition is marked by a thorough updating of the text and the addition of two new chapters on apologetics and the future of the unevangelized

foundational theology made accessible and practical offers concise and neutral explanations of the essentials of christian theology for students lay people and pastors goes beyond merely explaining the what of theological teachings to the why of how they impact everyday life combines three volumes into one convenient collection cutting through the controversies and doctrinal debates two trusted dallas theological seminary professors offer a practical foundational handbook on the basics of christian theology and why it matters to everyday life from humanity and sin to the trinity to the end times svigel and holsteen show why these topics matter and how you can apply them to your life every day with a winsome tone fast paced style and everyday language each chapter of this highly readable book covers one key doctrine and features a brief overview with points of unity and diversity explanations of key scriptures foundational truths to know false teachings to avoid practical application for your faith and life whether you re a student of the bible a pastor or someone who simply wants to know god better this simple and accessible resource will not only help you to know theology but to live it

a journey in christian theology through biblical historical and thematic perspectives with special attention to the context of today s world

a new edition of leading theologian millard erickson s classic text

regarded as the leading text in christian theology for the last 25 years alister e mcgrath s the christian theology reader is now available in a new 5th edition featuring completely revised and updated content brings together more than 350 readings from over 200 sources that chart 2 000 years of christian history situates each reading within the appropriate historical and theological context with its own introduction commentary and study questions includes new readings on world christianity and feminist liberation and postcolonial theologies as well as more selections by female theologians and theologians from the developing world contains additional pedagogical features such as new discussion questions and case studies and a robust website with new videos by the author to aid student learning designed to function as a stand alone volume or as a companion to christian theology an introduction 6th edition for a complete overview of the subject

far from being solely an academic enterprise the practice of theology can pique the interest of anyone who wonders about the meaning of life inviting readers on a journey of faith seeking understanding this introduction to christian theology its basic concepts confessional content and history emphasizes the relevance of the key convictions of christian faith to the challenges of today s world in the first part this book introduces the project of christian theology and sketches the critical context that confronts christian thought and practice today in a second part it offers a survey of the key doctrinal themes of christian theology including revelation the triune god and the world as creation identifying their biblical basis and the highlights of their historical development before giving a systematic evaluation of each theme the third part provides an overview of christian theology from the early church to the present

this book helps beginning theological students grasp the basics of christian theology consciously avoiding the perspective of one school of thought or confessional tradition the authors provide the reader with a brief broad overview of the questions and contents of theological study their accessible use of language clear organization and careful explanation will prove of invaluable aid to those who are getting their theological feet wet for the first time in the words of its authors this book offers an introduction to the fuller spectrum of christian theology as it has developed through the centuries few writers address the historical development of the classic doctrines and the contemporary resonance as adroitly as gonzalez and perez the chapter on jesus christ for example presents concise summaries of the treatments of christ s person leading up to chalcedon while suggesting a need for a multiplicity of images in understanding the work of christ that liberates the whole person and restores all creation beginning students as a result are invited into a living theological conversation where the contested claims of the past have continued relevance in a contemporary era beset by its undervaluing of the body and creation broadly ecumenical in tenor with reference to theologians from nearly every century the work should appeal to both a popular readership and introductory students in college and seminary one disappointing aspect of the book is an absence of latino a feminist and liberation perspectives for a work that argues for the contextuality of all theology and from authors whose previous work has been monumental in hispanic theological education this lack is surprising david h jensen austin presbyterian theological seminary in religious studies review volume 29 number 3 july 2003

this is a completely revised and updated edition of one of the leading introductions to christian theology

assuming no previous knowledge it introduces readers to the main ideas and key debates as well as to the leading thinkers who have influenced christian thinking over the last two thousand years provides an excellent introduction to the basics of christian theology assuming no previous knowledge of the subject outlines and explains all the main ideas and key debates that have influenced christian theology and identifies and explores the work of leading thinkers introduces basic vocabulary explains all technical terms and translates every latin greek and german word or phrase includes a special section on theological resources on the internet and a dedicated web site linked to this book written in a clear straightforward and easily accessible style a comprehensive one stop freestanding and fully cross referenced volume on christian theology the christian theology reader also by mcgrath is designed as a helpful accompaniment to this book more details on the third edition of christian theology an introduction can be found on the accompanying website at [blackwellpublishing.com/mcgrath](http://blackwellpublishing.com/mcgrath)

far from being solely an academic enterprise the practice of theology can pique the interest of anyone who wonders about the meaning of life inviting readers on a journey of faith seeking understanding this introduction to christian theology exploring its basic concepts confessional content and history emphasizes the relevance of the key convictions of christian faith to the challenges of today s world part i introduces the project of christian theology and sketches the critical context that confronts christian thought and practice today part ii offers a survey of the key doctrinal themes of christian theology including revelation the triune god and the world as creation identifying their biblical basis and the highlights of their historical development before giving a systematic evaluation of each theme part iii provides an overview of christian theology from the early church to the present thoroughly revised and updated the second edition of an introduction to christian theology includes a range of new visual and pedagogical features including images diagrams tables and more than eighty text boxes which call attention to special emphases observations and applications to help deepen student engagement with the themes and history of christian theology

there has long been a need for a comprehensive but truly introductory single authored textbook in theology by introducing the reader to the biblical doctrinal and contemporary dimensions of christianity with the help of illustrated examples from selected primary texts the book provides an excellent grounding in theology for both students of the discipline and the general reader the work explores key tools for the scientific study of theology endeavoring both to affirm the rationale behind christian thinking and also to familiarize the reader with significant contrary positions the solid foundations in biblical theology and hermeneutics given in the book will enable students to read judeo christian scripture intelligently key testimonies regarding jesus christ are scrutinized and the nature of the new testament discussed as well as the emergence of doctrinal orthodoxy and the later disagreements which have shaped contemporary christianity the reader will become familiar with the dimensions of current christian thinking in its dialogue with post modernity this new edition includes an additional chapter examining spirituality and a series of companion videos for each chapter

dallas seminary professors make basic theology accessible for all theology doesn t have to be complicated in this book trusted dallas seminary professors present a concise systematic theology that distills the essential

spiritual truths in a way that makes sense to readers students lay people and pastors here are introductions overviews and reviews of key tenets of orthodox protestant evangelical doctrines the book also includes an annotated list of key applicable bible texts a quick paced story of doctrine throughout church history heresies or distortions to be aware of and more exploring christian theology is useful for discipleship catechism membership training preview or review of doctrine or quick personal reference it can also be used by ministry training programs bible colleges or seminaries as an introductory primer to orient students in preparation for a more in depth study of theology

this fourth edition of the international bestseller is the ideal introduction for those who are new to christian theology in this revised and expanded edition the author introduces readers to the central ideas and beliefs the key debates and the leading thinkers of christianity throughout the aim is to bring clarity and brevity to the central ideas of theology both traditional and contemporary the text comprehensively covers the individual doctrines that form the christian belief system weaving together these doctrines their history and the intellectual nuance behind them into an inter connected web all major christian denominations are explored as are their differences and shared customs and beliefs this rich tapestry results in a clear view of christianity providing a coherent vision of the religion in its main forms

this classic systematic theology by methodist william burt pope 1822 1903 is organized as follows the kindle edition includes all three volumes volume i chapter 1 definition of theology chapter 2 revelation or the faith chapter 3 inspiration chapter 4 the canon the divine rule of faith chapter 5 the existence and notion of god chapter 6 the divine essence and perfections chapter 7 the person of christ chapter 8 the mediatorial work in its process chapter 9 historical manifestation of the redeemer volume two chapter 1 origin of sin in the universe and on earth chapter 2 nature of sin chapter 3 sin and redemption chapter 4 original sin chapter 5 the divine purpose of redemption chapter 6 the redemptional or economical trinity chapter 7 the person of christ chapter 8 the mediatorial work in its process chapter 9 historical manifestation of the redeemer volume iii chapter 1 christian sonship chapter 2 christian sanctification chapter 3 tenure of covenant blessings chapter 4 christian ethics chapter 5 the christian church chapter 6 eschatology or the last things

an ideal introduction to christian theology discerning the divine presents the doctrine of god as the most important subject in christian believing and living chapters discuss the complex god question and the task of christian theology includes a glossary of terms

christian theology the basics is a concise introduction to the nature tasks and central concerns of theology the study of god within the christian tradition providing a broad overview of the story that christianity tells us about our human situation before god this book will also seek to provide encouragement and a solid foundation for the reader s further explorations within the subject with debates surrounding the relation between faith and reason in theology the book opens with a consideration of the basis of theology and goes on to explore key topics including the identity of jesus and debates in christology the role of the bible in shaping theological inquiry the centrality of the trinity for all forms of christian thinking the promise of salvation and how it is achieved with suggestions for further reading at the end of each chapter along with a

glossary christian theology the basics is the ideal starting point for those new to study of theology
