this encyclopedia provides a comprehensive and nuanced exploration of generation x and its enduring imprint on the cultural landscape of the usa in realms such as music television literature advertising and art american life has changed significantly in the last 70 years explore the pop culture that defined generation x defined as those born between 1965 and 1980 with informative entries on iconic performers nirvana notorious b i g films the big lebowski heathers and books generation x not to mention the technology media platforms and events that had a lasting impact on american culture and entertainment additional features include interviews from artists and musicians of the era that shed light on their influences challenges and achievements as well as an introductory essay that takes a deeper dive into generation x attitudes toward work and leisure race and ethnicity personal relationships politics and social media

revised and updated this book explodes the slacker myth and introduces the world to the real genx flexible technoliterate information savvy entrepreneurial and perfectly adaptable to the new just in time workplace employers learn how to make the best use of this valuable quirky labor pool

read jeff gordinier s posts on the penguin blog in this simultaneously hilarious and incisive manifesto for a generation that s never had much use for manifestos gordinier suggests that for the first time since the smells like teen spirit breakthrough of the early 1990s gen x has what it takes to rescue american culture from a state of collapse over the past twenty years the so called slackers have irrevocably changed countless elements of our culture from the way we watch movies to the way we make sense of a cracked political process to the way the whole world does business

even for the casual viewer the netflix series stranger things will likely feel familiar reminiscent of popular 1980s coming of age movies such as the goonies e t the extra terrestrial and stand by me throughout the series nods to each movie are abundant while stranger things and these classic 1980s films are all tales of childhood friendship and shared adventures they are also narratives that reflect and shape the burgeoning cynicism of the 1980s in ode to gen x institutional cynicism in stranger things and 1980s film author melissa vosen callens explores the parallels between iconic films featuring children and teenagers and the first three seasons of stranger things a series about a group of young friends set in 1980s indiana the text moves beyond the at times non sequitur 1980s easter eggs to a common underlying narrative generation x s growing distrust in american institutions despite gen x s cynicism toward both informal and formal institutions viewers also see a more positive characteristic of gen x in these films and series gen x s fierce independence and ability to rebuild and redefine the family unit despite continued economic hardships vosen callens demonstrates how stranger things draws on popular 1980s popular culture to pay tribute to gen x s evolving outlook on three key and interwoven american institutions family economy and government

born roughly between 1964 and 1980 generation x has received much less critical attention

than the two generations that precede and follow it the baby boomers and millennials this essay collection examines representations of generation x in contemporary popular culture including in television movies music and internet sources drawing on generational theory cultural studies theory race theory and feminist theory the essays in this volume consider the past identities of generation x relationships with members of younger generations modern appropriation of generation x aesthetics interactions of generation x members with family and the existential values of generation x

a groundbreaking lavishly informative the new york times portrait of the six generations that currently live in the united states and how they connect conflict and compete with one another from the acclaimed author of generation me and igen upending the conventional theory that generational differences are caused by major events dr jean twenge analyzes data on 39 million people from robust national surveys some going back nearly a century to show that changes in technology are the underlying driver of each generation s unique makeup in this revelatory work twenge outlines key shifts in attitudes and lifestyle choices that define each generation regarding gender income politics race sexuality marriage mental health and much more surprising engaging and informative generations gets you thinking about how appreciating generational differences can ironically bring us together angela duckworth new york times bestselling author it will forever change the way you view your parents peers coworkers and children no matter which generation you call your own

generation x unveiled a journey through the unsung hero generation unlock the secrets of a generation that defies definition in generation x unveiled dive into the rich tapestry of experiences values and contributions that have shaped today s world forged by those born between the seismic shifts of the baby boomers and millennials explore the quintessential attributes of generation x where individualism reigns supreme and skepticism of authority fuels innovation discover how these traits influenced pivotal cultural contributions from the raw power of grunge music to groundbreaking shifts in film and literature venture into the economic realm where resilience and resourcefulness steer gen xers through turbulent financial times laying the groundwork for modern entrepreneurship and innovation their unique approach to money management and career navigation sheds light on challenges and opportunities faced across generations dive deep into the social beliefs and movements ignited by generation x s environmental awareness progressive family structures and commitment to social justice signaling a shift towards a more equitable future understand their role in the digital evolution bridging the analog past with the relentless march of technology and how they stand as key influencers of the internet age political engagement takes center stage where gen x impact is felt from voter participation to policy making illustrating their nuanced approach to ideology and governance as education undergoes a transformation see how this generation has redefined priorities embracing lifelong learning as the key to personal and professional growth in the workplace discover the gen x quest for flexibility and inclusive leadership balancing generational differences with finesse their health and wellness perspectives blend tradition with modernity emphasizing mental health and holistic living as they approach retirement learn how gen x pioneers redefine aging preparing for financial security with purpose and leaving an enduring legacy generation x unveiled is more than a book it s a testament to a generation s lasting impact and the critical lessons they impart for building a better tomorrow engage with these reflections and future directions and see how the story of generation x continues to shape our world

in zero hour for gen x matthew hennessey calls on his generation generation x to take a stand against tech obsessed millennials apathetic baby boomers utopian silicon valley visionaries and the menace to top them all the soft totalitarian conspiracy known as the internet of things soon gen xers will be the only cohort of americans who remember life as it

was lived before the arrival of the internet they are as hennessey dubs them the last adult generation the sole remaining link to a time when childhood was still a bit dangerous but produced adults who were naturally resilient more than a decade into the social media revolution the american public is waking up to the idea that the tech sector s intentions might not be as pure as advertised the mountains of money being made off our browsing habits and purchase histories are used to fund ever more extravagant and utopian projects that by their very natures will corrode the foundations of free society leaving us all helpless and digitally enslaved to an elite crew of ultra sophisticated tech geniuses but it s not too late to turn the tide there s still time for gen x to write its own future a spirited defense of free speech eye contact and the virtues of patience zero hour for gen x is a cultural history of the last 35 years an analysis of the current social and historical moment and a generational call to arms

the eighth edition of generation x americans born 1965 to 1976 tells the story of the small but vital generation spanning the ages of 38 to 49 in 2014 although their numbers are small lifestage dictates that generation x is a vital part of the nation s commerce and culture people in their thirties and forties are in the crowded nest years they are supposed to be advancing in their careers their incomes should be growing and their spending should climb because of the expenses of children and teens but the generation has been hit hard by the great recession and is still struggling to recover generation x americans born 1965 to 1976 shows how gen xers are coping with these demands and what to expect in the future new to this edition are all important 2013 updates of income spending and wealth as well as a unique comparison of the attitudes of the four generations of american adults based on the general social survey also in this edition are homeownership rates time use by age and sex trends in household spending and wealth since the great recession and labor force statistics with projections to 2022 generation x americans born 1965 to 1976 is designed for easy use it is divided into 11 chapters organized alphabetically attitudes education health housing income labor force living arrangements population spending time use and wealth one of the most distinctive features of generation x is its racial and ethnic diversity generation x americans born 1965 to 1976 shows how gen xers are changing and what to expect from them in the future
