becoming a lawyer is about much more than acquiring knowledge and technique as law students learn the law and acquire some basic skills they are also inevitably forming a deep sense of themselves in their new roles as lawyers that sense of self the student's nascent professional identity needs to take a particular form if the students are to fulfil the public purposes of lawyers and find deep meaning and satisfaction in their work in this book professors patrick longan daisy floyd and timothy floyd combine what they have learned in many years of teaching and research concerning the lawyer's professional identity with lessons derived from legal ethics moral psychology and moral philosophy they describe in depth the six virtues that every lawyer needs as part of his or her professional identity and they explore both the obstacles to acquiring and deploying those virtues and strategies for overcoming those impediments the result is a straightforward guide for law students on how to cultivate a professional identity that will allow them to make a meaningful difference in the lives of others and to flourish as individuals

the united states is in the process of destroying its chemical weapons stockpile in 1996 congress mandated that dod demonstrate and select alternative methods to incineration at the blue grass and pueblo sites the assembled chemical weapons alternatives acwa program was setup to oversee the development of these methods and pilot plants were established at both sites one of the new technologies being developed at the blue grass pilot plant are metal parts treaters mpts to be used for the empty metal munitions cases during recent testing some issues arose with the mpts that caused the acwa to request a review by the nrc to investigate and

determine their causes this book presents a discussion of the mpt system an assessment of the mpt testing activities an analysis of thermal testing modeling and predicted throughput of the mpt and an examination of the applicability of munitions treatment units under development at pueblo for the blue grass pilot plant

pass the bar provides a comprehensive overview of the pre bar review bar review and bar exam process the authors demystify the bar exam process and take readers through the steps they need to follow to succeed readers are given specific information about what to do during the year before their bar exams checklists exercises and reflection questions tips for studying and completing practice questions and sample exam questions and answers to maximize their likelihood of bar exam success the book has been designed with several uses in mind as the text for a for credit law school bar preparation course as a supplemental text for an upper level doctrinal course allowing professors to build students bar study skills in the context of learning a bar tested subject as a text for non credit bar preparation workshops or for students independent study the authors recommendations are grounded in educational and psychological research as well as their personal experiences in designing programs and preparing thousands of students to pass their bar exams readers will find the text user friendly and its recommendations straightforward and practical once in awhile the perfect book comes along at the perfect time pass the bar is just such a book arriving at the ideal time to help law students clear the last hurdle of the race they began when they started law school the authors approach is both logical and powerful and would immediately enhance any bar taker s likelihood of success i will happily recommend the book to generations of students as they prepare to cross the finish line of their challenging bar exam race professor ruth ann mckinney director of the writing and learning resources center the university of north carolina school of law
