this book covers every aspect of the informant and cooperating witness dynamic a controversial technique shrouded in secrecy and widely misunderstood quoted routinely in countless newspaper and magazine articles the first edition was the go to guide for practical effective guidance on this tricky yet powerful tactic extensively updated topics in this second edition include changes in the fbi s informant program changes brought on by immigration reforms recent high profile cases and the changing nature of compensation and cooperation fees it also examines the management of informant driven search warrants and challenges posed by fabricated information

the use of informants has been described as the black hole of law enforcement failures in the training of police officers and federal agents in the recruitment and operation of informants has undermined costly long term investigations destroyed the careers of prosecutors and law enforcement officers and caused death and serious injuries to innocent citizens and police in many cases the events leading to disaster could have been avoided had the law enforcement agency followed the time tested procedures examined in this book informants cooperating witnesses and undercover investigations a practical guide to law policy and procedure second edition covers every aspect of the informant and cooperating witness dynamic a technique often shrouded in secrecy and widely misunderstood quoted routinely in countless newspaper and magazine articles the first edition of this book was the go to guide for practical effective guidance on this controversial yet powerful investigative tool extensively updated topics in this second edition include sweeping changes in the fbi and ice informant and undercover programs new informant recruiting techniques reverse sting operations entrapment issues examination of recent high profile cases where the misuse of informants resulted in lawsuits and legislation the changing nature of compensation and cooperation agreements forfeiture informants and rewards the management of controlled undercover purchases of evidence challenges posed by fabricated information phantom informants and police corruption witness security measures new whistleblower reward programs authoritative scholarly and

based on boots on the ground experience this book is written by an author who has been a police supervisor an informant recruiter and handler an undercover agent and an attorney supported by statutes case law and previously unpublished excerpts from law enforcement agency manuals it is essential reading for every police officer police manager prosecutor police academy trainer criminal justice professor and defense attorney this book is part of the practical aspects of criminal and forensic investigations series

federal law enforcement components used more than 16 000 confidential informants in fiscal year 2013 as part of criminal investigations informants can be critical to an investigation but without appropriate oversight problems can occur that undermine the credibility of the informant s role in an investigation the attorney general s guidelines sets forth procedures on the management of informants including vetting potential informants and overseeing informants illegal activities that components authorise to support an investigation this book reviews the extent to which the department of justice doj and the department of homeland security dhs components policies address the guidelines for vetting informants and overseeing their illegal activities and selected components have monitoring processes to ensure compliance with the guidelines

domestic drug enforcement takes many forms from the rural patrol officer who happens upon a small scale mobile 'shake and bake' methamphetamine lab during a routine traffic stop to the city narcotics detective who initiates a low level buy bust operation that nets a few hits of crack cocaine on the street corner to the local state and federal agents working in multiagency task forces that coordinate a sting operation that nets thousands of kilos of near pure cocaine being transported by tractor trailer regardless of the form there is a high probability that these authorities have exploited access to known offenders and exerted pressure on those individuals to gather inside information on illicit drug sales these confidential informants provide intelligence on the inner workings of drug operations in exchange for leniency or remuneration providing a relatively cheap source of intelligence that fuels much of the ongoing war on drugs in other instances law enforcement authorities will reach out to members of the criminal underworld who are willing to provide valuable intelligence in exchange for money Despite the central role of informants in contemporary police operations little is known about the shadowy relationships among law enforcement snitches and offenders based on ethnographic fieldwork in the narcotics homicide and street level vice operations in two major metropolitan police departments Speaking truth to power takes readers to the front lines of the war on drugs to unravel this

complex web of information exchange
